Quiet Shield™

- Auto Blend stops blender when drink reaches the perfect consistency
- Hundreds of Pre-Programmed Cycles available that maximize results and minimize mistakes
- Cavitation Control prompts the operator to add more liquid when needed, saving the operator from spending time watching the blender and from serving a bad drink
- Unique airflow baffle keeps unit cool and prevents water ingress
- Jar pad sensor helps prevent 'wear & tear'
- USB port for future program updates
- QuietShield™ sound enclosure reduces blender noise

Summit® Blender High performance blending for both bar and kitchen. Stackable Polycarbonate container & QuietShield™ enclosure included.

Spindle Drinks Mixers

- Great for everything from mixing ice cream shakes to ‘flashing’ bar drinks and blending eggs
- More powerful 1/3 HP motor mixes up to twice as fast, so customers don’t have to wait
- 3 speeds plus unique pulse switch for maximum mixing control
- Two ways to start & stop mixing: with pulse switch or cup guide
- Heavy-duty, die cast construction with motors that are built to last
- HMD400-UK has 3 separate motors - each motor works independently and has its own power switch, so you can use two while cleaning the third

Spindle Drinks Mixers Heavy-duty machines perfect for making milkshakes and frozen cocktails. Stainless Steel malt cup(s) included. Stainless steel agitator for hard ice cream comes as standard.

CODE	MOTOR	MALT CUPS	DIMENSIONS
HMD200-UK	1/3 HP	One	165 x 171 x 521mm

Spindle Drinks Mixers Accessories

CODE	DESCRIPTION
48070	Spare Stainless Steel Malt Cup
929	Stainless Steel Agitator for Mix-ins
930	Stainless Steel Agitator for Hard Ice Cream

Citrus Juicer

- Unit comes with 3 reinforced reamer sizes - a small one for juicing lemons and limes, a medium one for oranges, and a large one for grapefruit
- Electric-powered juicer allows restaurants, bars, juice clubs, and smoothie bars to quickly extract maximum juice from each piece of fruit with minimum effort
- With an exceptionally quiet motor, the 96700 is a welcome addition to any establishment
- Juice spout is a full 8.5” from the counter to allow juicing into a variety of containers, from single serving glasses to large pitchers and storage containers
- Metal housing with acid-resistant finish, extra-large stainless steel container, and durable strainer and reamers are built for heavy-duty performance
- Sealed push-button switch for safety

Citrus Juicer Heavy-duty metal construction, high quality electric juicer.
